**INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS**

**PRESIDENTIAL AND EARLY PARLIAMENTARY ELECTIONS
THE FORMER YUGOSLAV REPUBLIC OF MACEDONIA
13 and 27 April 2014**

Following an official invitation from the Ministry of Foreign Affairs (MFA) of the former Yugoslav Republic of Macedonia, the OSCE/ODIHR has established an Election Observation Mission (EOM) to observe the presidential election scheduled for 13 April 2014 and 27 April in the event of a second round and the early parliamentary elections also scheduled for 27 April 2014. Ambassador Geert-Hinrich Ahrens (Germany) has been appointed Head of the OSCE/ODIHR EOM. The mission consists of 11 additional core team members based in Skopje and 20 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a total of 18 OSCE participating States.

The OSCE/ODIHR requests participating States to second **three hundred (300)** short-term observers (STOs) to voting, counting and tabulation of results for both the presidential and the early parliamentary elections. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the OSCE/ODIHR EOM. In the interest of a broad and balanced representation among participating States, the OSCE/ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

Committed to achieving gender balance in its activities, the OSCE/ODIHR encourages OSCE participating States to second equal numbers of female and male STOs.

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the former Yugoslav Republic of Macedonia prior to arrival. Visas cannot be issued on arrival at Skopje International Airport.

To facilitate the accreditation of observers by the State Election Commission (SEC) and the issuance of visas (if required), the OSCE/ODIHR online registration form must be completed no later than 28 March for the presidential election, and 8 April for the early parliamentary elections. For the presidential election, all STOs are required to arrive in Skopje by Wednesday 9 April and to depart (at the earliest) on Tuesday 15 April, in the morning and for the possible second round of presidential election and the early parliamentary elections to arrive in Skopje by Wednesday 23 April and to depart (at the earliest) on Tuesday 29 April, in the morning. The STO activity schedule is provided below.

Observers should strictly abide by the OSCE/ODIHR Observer Code of Conduct and the deployment plan prepared by the OSCE/ODIHR EOM. The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive a security briefing upon arrival and are required to operate in accordance with security guidelines.

The working language of the EOM is English. All briefings de-briefings and reporting will be conducted in English, and all interpreters will work in local languages/English. All STOs must, therefore, have a good working knowledge of both written and spoken English.

The OSCE/ODIHR strongly encourages all observers to undertake the OSCE/ODIHR e-learning course for short-term observers, available at www.stoelearning.org.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE OSCE/ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

2. Logistics

a) Contact details

All logistical arrangements for the STOs will be organized by the OSCE/ODIHR EOM under the direction of:

Ranko Vukčević, Operations Expert

ranko.vukcevic@odihr.org.mk; mobile phone: +389 77 554 007

b) Transportation/Accommodation

All STOs will be met at Skopje International Airport (IATA: SKP) by an OSCE/ODIHR representative upon their arrival and transported to their accommodation in Skopje. Transport and accommodation in Skopje and in the areas of observation will be arranged by the OSCE/ODIHR EOM. **Due to the limited availability of accommodation in Skopje and the observation areas, STOs should be aware that there will be double occupancy per room of observers of the same gender, and relatively modest conditions may be expected in some of the observation areas.**

For safety reasons and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the OSCE/ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars and interpreters.

However, should any observers choose not to stay in the accommodation arranged by the OSCE/ODIHR EOM, the seconding States should indicate this while registering on-line. **If OSCE/ODIHR is not notified in advance, STOs or the respective OSCE participating State will be charged for the cost, regardless of whether the accommodation provided is used.** It should be noted that the OSCE/ODIHR EOM cannot provide in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Skopje to the regions by bus, minivan and/or car.

The OSCE/ODIHR EOM will make necessary arrangements for the STOs to return to Skopje on Monday 14 April and Monday 28 April as well as arrange accommodation in Skopje. The EOM will arrange transfers to the airport for all STOs.

c) Security

A memo on security details for the STOs will be handed over to the observers upon arrival. **STOs who choose not to stay in accommodation provided by the OSCE/ODIHR EOM will not be covered by the mission's security arrangements.**

d) What to bring

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- torch/flashlight with spare bulb and battery;
- all necessary medication (case-specific);

- electricity converters (if needed) – 220V, European style plug.

The OSCE/ODIHR EOM strongly recommends that STOs, while travelling by air, put essential items into their hand luggage, in case of late arrival of their luggage in Skopje.

e) Communication

STO teams will be provided with a mobile phone and a local SIM card with credit. Please note that using the mobile phones for international calls and SMS should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

f) Time zone/Flight bookings

Local time in Skopje is UTC or GMT+1 hour. Due to the limited number of scheduled flights to Skopje, the OSCE/ODIHR EOM strongly encourages participating States to make early flight bookings. To ensure operational flexibility, e.g., in case of bad weather conditions, participating States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the OSCE/ODIHR EOM. Each team will be provided with an interpreter and a car/driver by the EOM. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full access to complete and equal information as they carry on their observation duties.

4. Costs

It is projected that, while in country, **each STO** will incur the following costs **for each election**, although some STOs may not require the full amount indicated below:

Operational/Transportation Cost	EUR
Airport transfers in Skopje	20
In-City Transportation (movement to and from STO briefing/de-briefing)	15
In-Country Transportation (to and from deployment area)	60
Communication (mobile phone use)	15
Briefing costs (Briefing, Debriefing, Briefing pack, meals)	130
Estimated cost to be incurred by ODIHR on behalf of STOs	EUR 240
Driver/Car (EUR 40 per day @ 4 days per observer)*	160
Fuel (EUR 20 per day @ 4 days per observer)*	80

Interpreter (EUR 40 per day@ 4 days per observer)*	160
Accommodation (7 nights @ max EUR 80/per night)	560
Meals & Incidentals (approx. EUR 40 per day @ 7 max days)	280
Accommodation and meals for Interpreter if needed (EUR 30 per night @ 3 nights per observer)*	90
Accommodation and meals for Driver if needed (EUR 30 per night @ 3 nights per observer)*	90
Costs paid directly by the observers	EUR 1,420
Total cost per observer:	EUR 1,660

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e., per each STO).

The total cost per one observer is estimated at **EUR 1,660** (one thousand seven hundred and seventy five EUR), including **EUR 1,420** (one thousand five hundred and forty EUR) which the participating States should supply to each observer in cash prior to their departure to Skopje for each election.

EUR 240 (two hundred and thirty five EUR) is the projected cost per each STO to be incurred by the OSCE/ODIHR. After closure of the EOM, each seconding State will be billed by the OSCE/ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally, although other currencies can also be exchanged. While there are cash machines (ATMs) in Skopje, they do not dispense foreign currency and may not be available in some areas of deployment. Hotels outside Skopje may not accept credit cards or foreign currency. STOs should be prepared to pay hotel bills outside Skopje in cash and upon check-in. Travellers cheques must not be used. The local currency is the Denar (MKD). The exchange rate is approximately 1 EUR = 61.30 MKD.

5. Visas and Insurance

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate prior to their arrival. Visas cannot be issued on arrival at Skopje International Airport.

For STOs without an embassy or consulate of the former Yugoslav Republic of Macedonia in their country of residence, seconding States are requested to inform the OSCE/ODIHR office in Warsaw (Sylwia Zwolinska or Anna Krzysztofik – see below), as soon as possible in order to receive support, if necessary, with issuance of visas.

IMPORTANT: All short-term observers should ensure that they arrive with adequate health, accidental/life disability, emergency/medical evacuation, property, theft and accident insurance, as this will not be provided by the OSCE/ODIHR. **STOs must**

have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).

6. Registration and Accreditation Process

Registration of STOs

After receiving this information sheet, all OSCE participating States seconding STOs should submit a **list of names** (first name, last name, passport number) of seconded STOs to the OSCE/ODIHR to the attention of Ms. Sylwia Zwolinska or Ms. Anna Krzysztofik. **Participating States should clearly state for which elections they are seconding STOs.**

An official cover letter from MFAs or designated recruitment organizations should be sent together with the list of STO names.

After submitting the list of STOs, the seconding State should register each of their proposed candidates online using the Registration Form available at:
<http://stodb.odihr.pl>

This on-line Registration Form will be available from 12 until 28 March 2014 for the presidential election, and until 8 April 2014 for a possible second round of the presidential election and the early parliamentary elections.

Before using the on-line registration system, the seconding State should contact the OSCE/ODIHR, Ms. Sylwia Zwolinska or Ms. Anna Krzysztofik, and obtain a username and a password. These parameters are necessary to enter the registration system.

IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME, NO APPLICATIONS WILL BE CONSIDERED BY THE OSCE/ODIHR UNDER ANY CIRCUMSTANCES AFTER 28 MARCH FOR THE 13 APRIL PRESIDENTIAL ELECTION AND AFTER 8 APRIL 2014 FOR THE 27 APRIL POSSIBLE SECOND ROUND OF THE PRESIDENTIAL ELECTION AND THE EARLY PARLIAMENTARY ELECTIONS.

THE FORMER YUGOSLAV REPUBLIC OF MACEDONIA
13 and 27 April 2014

Post title: Short-Term Observer (STO)

Title of Supervisor: Head of OSCE/ODIHR Election Observation Mission (EOM)

STOs are deployed throughout the country in multinational two-person teams to assess the close of the campaign, early voting, voting, counting and the tabulation of results. Participating States are urged to second STOs with relevant election experience and inter-personal skills.

STOs must adhere to the OSCE/ODIHR Observer Code of Conduct, as outlined in the OSCE/ODIHR Election Observation Handbook, security instructions and national laws.

STOs must be prepared to read briefing materials, attend briefing and de-briefing sessions, understand procedural instructions and complete evaluation forms accurately, all in English. Local language ability is an asset. STOs must not have any concurrent commitments that could produce a conflict of interest with the EOM.

The OSCE/ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the OSCE/ODIHR Observer Code of Conduct.

DUTIES AND RESPONSIBILITIES

Accreditation

STOs require accreditation from the relevant authority before they can undertake their observer duties. The EOM will forward the names of STOs to the relevant authority in advance to facilitate the accreditation process.

Briefing

Before deployment, STOs will be provided with an in-depth briefing, which will include:

- OSCE/ODIHR observer code of conduct;

- legislative framework;
- overview of the country, campaign and the media situation;
- voting, counting and tabulation procedures;
- observation forms;
- security situation; and

STOs will also be provided with briefing materials which will include all necessary electoral and logistics information, as well as observation forms to complete during the observation of voting, counting, and vote tabulation.

Debriefing

A debriefing for STOs will be organized after the election. This will provide an opportunity for STOs to discuss their major findings and share their conclusions with other observers and EOM members. The EOM will hold a press conference after the elections to present its preliminary findings and conclusions. A comprehensive final report will be issued by the OSCE/ODIHR approximately two months after the election process has been completed, taking into account findings of all observers.
